

**CHIEF MINISTER'S OFFICE
NAGALAND
KOHIMA**

No. CMN/96/MA/2020
24th March, 2020

ADVISORY

The Government of Nagaland has been taking various measures to prevent and control the outbreak of Novel Corona Virus in the State. Several guidelines, instructions and advisories have been issued by the Government on the matter from time to time. Among other things, health authorities have advised the people to adopt social distancing measures like restricting meetings/ gatherings/ crowds, avoiding public contact and stay at home as much as possible.

In line with these recommendations, all the Ministers and Advisors of the State are hereby advised to avoid public interviews, visits to crowded places and appearance at social and political gatherings so as to eliminate the possibility of spread of the novel corona virus through these means.
