No: DHFW/COVID-19/2019-20/221-22 :: In order to monitor each individual on quarantine using the nCovid-19 Nagaland app, each district shall have a dedicated healthworker assigned to assist individuals in submitting their details in the app. The assigned healthworker shall mandatorily have an android smartphone, download/install the nCovid-19 Nagaland App and register as healthworker.

Each district shall submit details of the identified/nominated health worker for the mobile app in the format below by 11.00 AM, 16th April 2020 in the format:

a. District wise identified healthworker for mobile app.

<table>
<thead>
<tr>
<th>Sl.</th>
<th>District</th>
<th>Name</th>
<th>Phone</th>
</tr>
</thead>
</table>

In this regard, a training will be held over Zoom, at 1 PM, 16th April 2020.

Participants:

1. Identified health workers (for mobile app) for each district.

Enclosed: Annexure 1A - How to use the app - Healthworkers

(DR. VIZOLIE Z. SUOKHERIE)

Annexure: How to use the app - Healthworkers

A. Healthworkers

**Healthworkers need to mandatorily have an android smartphone to assist people.**

1. Download the nCovid-19 Nagaland app from download from: https://nagabhealth.nagaland.gov.in/
2. iii) Register with your mobile number (OTP based authentication), and upload ID card.

Healthworker login will have the following functionalities.

1.1.1. Self Declaration for others
This functionality shall be used at ports of entry for travelers who do not have a Smartphone. A person manning the PoE shall be registered as a healthworker. He shall submit the self declaration for such travelers and generate an ePass for them.

1.1.2. Register for others
This functionality shall be used by registered healthworker to register persons on quarantine who may not have an android Smartphone or access to web.

1.1.3. Report - Quarantine for others
This functionality shall be used by registered healthworker to submit daily report for persons on quarantine who may not have an android Smartphone or access to web.
