Subject: nCOVID-19 Nagaland App, Process Flow

Sir/Madam,

Please find herewith, the process flow for use of **nCOVID-19 Nagaland Visitors App**. This has to be prominently pasted/displayed in all quarantine facilities, Point of Entry screening areas, and those who are sent for home quarantine also needs to be sensitized. For any query on the use of the App, call up the Toll Free helpline **1800 345 0019** and select Option 3.

Yours faithfully

(DR. VIZOLIE Z. SUOKHRIE)

Healthworker- assisting android phone users.

User manual on how to use the app can be downloaded from the login page of the app

Healthworker- assisting non-android phone user

- ✓ While signing up, please upload your govt employee ID
- ✓ You can login only after your registration request is approved at the backend by approver
- ✓ Choose location correctly- whether **facility** or **home**
- ✓ If person's quarantine location changes from **facility** to **home**, please make sure to change the location the first time you submit their daily symptoms from the new location
- ✓ You may be assigned new people for daily reporting from the backend for users who report having issues in using the app through helpline (iOS, feature phone or any other issue)
- ✓ If someone complete facility quarantine and have been asked to home quarantine for another 14 days, mark them through "notify quarantine", and report for another 14 days through the app
